So Lost Without You

Lil' Mo

Last night we had an argument, and I said things that I didn't really mean
Yes I let the moment get the best of me
Baby please forgive me
I wanted you to feel like less of a man when I promised I wouldn't be that way to you
But if love walked out, don't know what I would do

I would be so lost with out you
Don't think I can carry on
But I be a mess for the rest of my life
Wish I could lay down and die
I would be so lost with out you
Don't think that I be able to stand
Don't think I be able to fall in love again
If you ever wanna leave
I know these words would be true
Cause I'd be so lost with out

Time to think about the love we make, our relationship, and the time we share
Couldn't better think of someone taking my place
I'd lose my mind, and my will to care
Probably wish that God would take me away from here
Life would be unfair, I would never be the same yeah

I would be so lost with out you
Don't think I can carry on
But I be a mess for the rest of my life
Wish I could lay down and die
I would be so lost with out you
Don't think that I be able to stand
Don't think I be able to fall in love again
If you ever wanna leave
I know these words would be true
Cause I'd be so lost with out

Ooh babe, I don't know what in the world I would
You would never leave me all alone
And talk your love away
Probably lose my head, lose my will to be alive
Before I ever say goodbye, don't think I would be the same and I . .
Don't think I can carry on
I be a mess for the rest of my life
Wish I could lay down and die
I would be so lost with out you
Don't think that I be able to stand
Don't think I be able to fall in love again
If you ever wanna leave
I know these words would be true
Cause I'd be so lost with out

Don't think I can carry on
But I be a mess for the rest of my life
Wish I could lay down and die
I would be so lost with out you
Don't think that I be able to stand
Don't think I be able to fall in love again

If you ever wanna leave
I know these words would be true
Cause I'd be so lost with out

If you ever wanna leave
I know these words would be true
Cause I'd be so lost with out
