Mr. Sancho, returning your lady's page Now you're in a rage, pissed off and disgusted That's why I ain't got to lady, (why not) can't be trusted Vatos hooked on hoes like China White without being stepped on That's why I kicked the habit and then kept on It's hard enough these days to make cash and win Without a bitch asking me were the fuck have I been Franky Baby is too clean for that, too payed for that I'm a genuine player, not bitch made like that My shit sells cuz it's tight, raid like that But don't keep it at home, cuz pigs run raids like that It's still put down like it should be From SD to that big bad 213
