Lil' Scrappy

(feat. Lil Scrappy)
Why'all don't want it with the southside
(ayy, ayy, ayy, ayy, ayy)
Why'all don't want it with the southside
(Aint nothin, ain't nothin, ain't nothin, ain't nothin, ayy)
Why'all don't want it with the southside
(ayy, ayy, ayy, ayy, crank it)
Why'all don't want it with the southside
(ayy, ayy, ain't nothin, ain't nothin, ayy)
Ill leave your ass crippled
Like some frosted flakes
What you call it sneakin up
Tha man Jake the snake
Every nigga on the street
Got something to say
Until they get sprayed in the face
With a gay like mase
I don't hate the fagget
Lets get dashed and crunk
I was lifted by a preacher
So my mom pushed weight
Now I hooked up wit game
Real nigga with flame
He show me cali love
And I ain't in no game
Every nigga that role wit me
Betta keep it G'd
Ill put the verdebrate
Push a DDT
Lets get the sippi
Why'all niggas ain't even gifted
Bust a shot at your chin
Your top getting lifted
G's up get your G's up
Scrappy with your weed up
I fuck with g-unit
So why'all sake get they ass lumped
Your homeboy really going
Through something
I can't change
I fuck hoes that would make
Mya look lame
The realest of niggas
I role wit them killas (yeah)
The world gotta feel us
My clique is gorilla
You niggas in trouble
I'm in the track with be -M-E cliqueing
You ain't gotta know
I'm sigend to Dre to know that he sick
P-89 that's what I handle my beef with
Put them hollow tips under your arms
Like speedstick
Ride through your hood
In a blue impala
Like we crips
Roll down the tints, G-Unit

I'm a head busta, lil scrappy
When the lead touch ya
And they ain't no coming back when you dead fucker
Sleep in your earn
And get eaten by worms
Trying to fight a fire with
Bottled water heat and get burned
They tampered my phones
Like D-are-E and the firm
'cause I'm buzzing like WuTang
And it ain't even my turn
So who it may concern
You'll get your whole mouth wide
Fuckin with them gang bangers
In the SOUTHSIDE
Hey hold the muthafucker up mi nigga
(hold up)
This your boy little scrappy shorty
(BME) A-town (A-town)
Mi nigga game (Comptown)

They want (G-G-G-G-G-G Unit) to get that ass hit
