

# Can't Get You Out Of My Mind

Lil Suzy

Now when I wake up in the morning  
You know you make my temperature rise  
Your like a summer breeze  
You got me beggin please  
Can you see it when you look in my eyes  
So you think you can handle my body  
But do you think you can handle my mind  
I'm thinking you & me, a pure fantasy  
?

Chorus:

Anything you want  
Now baby anything you need  
C'mon baby C'mon baby I got what you need  
Anyplace you want me baby  
Take me anytime  
You and me pure extasy  
Can't get you off my mind  
I can't get no I can't get  
no I can't get you out of my mind  
(repeat)

Now when I wake up in the morning  
You know exactly what I got on your mind  
Touch me anywhere  
Because you know I don't care  
C'mon baby work me all through the night  
So you say that you can freak my body  
I know you think that you control my mind  
But baby soon you'll see that you are owned by me  
My decision was for you to be mine  
Anything you want  
Now baby anything you need  
C'mon baby C'mon baby I got what you need
