

Take Me Back

Lil Suzy

Here we are
Where I wanted to be
Dancing soo close
I can feel your heartbeat
So say you were
Look into my eyes
All of the pain and the hurt
I caused it
I was a fool
Can't you see?
I played the game
Now I lost your love

(chorus)

Take me back!
I beg you please
take me back!
I'm on my knees
I was wrong
And time can pass
I loved you forever
Take me back towards the end

Boy I'm sorry
If I wasn't true
It meant nothing
Cus he wasn't you
I took the risk
Now i'll take the blame
Without you boy
Nothing feels the same
One night of passion
Now two broken hearts
Baby say,
It's not too late

(Repeat Chorus)
