

You're The Only One

Lil Suzy

U & i have such good times &
I know that's hard 2 find
I would never take 4 granted
Wut u give 2 me
So don't u ever think i would mess around
U don't have 2 worry
U don't have 2 worry about me

~*chorus*~

U'r the only 1
That makes me feel this way
U turn something n-side of me
U'r the only 1 that takes breath away
When it comes 2 my heart
U'r the only 1

Only u can reach my heart
Feel my soul when we're apart
'coz even when we're not 2-gether
I'm true 2 u
So don't think i don't know u've been hurt b-4
U don't have 2 worry
U don't have 2 worry about me

~*chorus (2x) *~

U'r the only 1 when it comes 2 my heart
U'r the only 1 that makes me feel this way
U'r the only 1 yeah that ever touch my heart
U'r the only 1 baby u'r the only 1
