

# One Time

Lil Twist

I'mma mack, on this ho, one time  
Mack on this motherfucking ho one time  
I'mma mack, on this ho, one time  
Mack on this motherfucking ho one time, ay  
If you a pimp, break a bitch  
See, I'mma mack, on this ho, one time  
If you a pimp, break a bitch

I see you looking, what you looking at?  
All out of pocket, ho, I'm taking that  
You know the life? Bitch, I'm living that  
Now do that 100 yard dash and run that money back  
I see potential, yeah, you full of that  
Be my employee of the week, make a hundred racks  
I'm in the Benz, fuck a 'Lac  
Space age pimpin', know you heard of that

Ah! She want a nigga like a Birkin purse  
Fuck it like it's my last pussy on the universe  
Give you that work, she give me checks like it's every first  
Of the month, I got liquor for these bitches' thirst  
Put you on stars, you'll be shinin' in your turf  
My nigga told me bout ya, had to see what you was worth  
That pussy come a dime a dozen, you'll be mine, you know it  
Why he got you working? I could benefit you further  
You know that Lambo, broke-poof, lame niggas, ain't no  
Competition when I'm spittin' game that could break hoes  
Hoes gotta bow in my presence for survival  
Mindfreak, no Criss Angel up in this flow  
Real magic, make a dollar touch to her ankles  
My bitch'll take a train, bus for this dick though  
Fall asleep when I bust, blowin' kush bowls  
Got another bitch comin', so hit the back door, bitch, you know

I'm a mack, baby, spin that crack, baby  
Too much money, I'll never fuck a fat lady  
Now, that's a fact, baby, sit on my lap, baby  
You know the motto: bust a nut then take a nap, baby  
You know the motto: if you come through, fuck a nigga  
She keep bringing up her boyfriend, I'm like "fuck yo' nigga"  
(Hold up!) Ooh, you nasty  
Do I like it from the back? That's what she asked me (yep)  
What you know about suntans from Blood niggas?  
Dressed in all black like Catholic nun niggas  
What you know about that Porsche plus that hundred racks?  
My old bitch mad, she ain't getting none of that!  
Dick don't fail me now, I gotta turn this bitch out  
Cause, if I beat that pussy up...  
She gon' give me everything in her bank account (400!)

If you a pimp, break a bitch  
See, I'mma mack on this motherfucking ho one time, ay See, I'mma mack on thi  
s motherfucking ho one time
