got the girl twisted 'cause she open when you twist her  
never met the bitch, but I fuck her like I missed her  
life is the bitch, and death is her sister  
sleep is the cousin, what a fuckin' family picture  
you know father time, we all know mother nature  
it's all in the family, but I am of no relation

I'm going back in  
okay, I lost my mind, it's somewhere out there stranded  
I think you stand under me if you don't understand me  
had my heart broken by this woman named Tammy  
but hoes gon' be hoes, so I couldn't blame Tammy  
just talked to moms, told her she the sweetest  
I beat the beat up, call it self defense  
swear man, I be seeing through these niggas like sequins  
niggas think they He-Men, pow, pow, the end  
talking to myself because I am my own consultant  
married to the money, fuck the world, that's adultery  
you full of shit, you close your mouth and let yo ass talk  
young Money eating, all you haters do is add salt  
stop playing, bitch, I got this game on deadbolt  
mind so sharp, I fuck around and cut my head off  
real nigga all day and tomorrow  
but these muthafuckas talking crazy like they jaw broke  
glass half empty, half full, I'll spill ya

Try me and run into a wall, outfielder  
You know I'ma ball 'til they turn off the field lights  
the fruits of my labor, I enjoy 'em while they still ripe  
bitch, stop playing, I do it like a king do  
if these niggas animals, then I'ma have a mink soon  
tell 'em bitches I say put my name on the wall  
I speak the truth, but I guess that's a foreign language to y'all  
and I call it like I see it, and my glasses on  
but most of y'all don't get the picture 'less the flash is on  
satisfied with nothing, you don't know the half of it  
Young Money, Cash Money  
paper chasing, tell that paper, "Look, I'm right behind ya"  
bitch, real G's move in silence like lasagna

people say I'm borderline crazy, sorta kinda  
woman of my dreams, I don't sleep so I can't find her  
you niggas are gelatin, peanuts to an elephant  
I got through that sentence like a subject and a predicate  
yeah, with a swag you would kill for  
money too strong, pockets on bodybuilder  
jumped in a wishing well, now wish me well  
tell 'em kiss my ass, call it kiss and tell

Word to my mama, I'm out of my lima bean  
don't wanna see what that drama mean, get some Dramamine  
llama scream, hotter than summer sun on a Ghana queen  
now all I want is hits, bitch, Wayne signed a fiend  
I played the side for you niggas that's tryna front, and see  
son of Gunz, Son of Sam, you niggas the son of me  
pause for this dumber speech, I glow like Buddha  
disturb me, and you'll be all over the flow like Luda  
bitch, I flow like scuba, bitch, I'm bald like Cuba  
and I keep a killer ho, she gon' blow right through ya  
I be macking, 'bout my stacking, now I pack like a mover  
shout to ratchet for backing out on behalf of my shooter  
niggas think they high as I, I come laugh at your ruler  
Cash Money cold, bitch, but our actions is cooler  
Wayne, these niggas out they mind  
I done told these fuck niggas, so many times  
that I keep these bucks steady on my mind  
tuck these, I fuck these on your mind, pause  
to feed them, on my grind, did I get a little love?  
keep throwing my sign in the middle  
hit 'em up, piece on my side, 'cause ain't no peace on my side, bitch  
I'm a man, I visit urinals abroad  
Tune told me to, I'm shooting when the funeral outside  
I'm uptown, thoroughbred, a BX nigga, ya heard?
