

Best Rapper Alive

Lil' Wayne

Bring the crowd and I'm loud In Living Color
It is Weezy fuckin' baby got these rappers in my stomach
Yumi, I'm takin' it, I ain't asking them for nothing
If you sell a million records we can battle for ya' money

I rather count a hundred thousand dollars on a Sunday
Watch a football game and bet it all on one play
Still stuntin' baby, yes I'm still flossin'
Latest car on the market wit the top peeled off it

Big wheels make it look a lil' bulky
You look a lil' salty have ya' self a chill coffee
Chill out the girls is still out
Even though I am a boss and got papers to fill out

I'm busy I got paper to reel in
God, I hope they steppin' at the end of my rod
I hope I'm fishing in the right pond
And I hope you catchin' on to every line
Who am I?

The heart of New Orleans
Thumpin' and beatin', livin' and breathin'
Stealin' and feedin', peelin' and leavin'
Killin' and grievin', dearly departed erased deleted

No prints, no plates, no face, no trace
Out of sight out of mind
No court no case
Sell his chain celebrate block party second line
Zulu ball, essence fest, jazz fest, Mardi Gras

Shorty bounce body rock
Now he drop now he got
Family cry tell the Fed's tell the cops
Smell the rat comin' back to the house
To the spot tap, tap, knock, knock, who is dat?

Trigga man hoodie man tell the kids
Boogie man pistol pete ammo mammal, gun man, blum, blam
Damn Sammie you dun' fucked up

The quarterback, well protected from the Warren Sapp
The young heart attack, I spit dat cardiac

You can't see me baby boy, you got dat catorax
I'm right here straight out the hood jus like an alley cat
Since everyone's a king where the fuckin' palace at
