

Feel Me

Lil' Wayne

So "Little Wayne," whats your motivation?

Is that really a question
Do you really have that written down in your notepad
You should be ashamed of yourself
You smell me girl
I smell like money
See, thats what they don't understand (Tell 'em a god damn thang)
To me it was always get money or die
I come up under Birdman the Number One Stunner
You know what I mean I'm stunner junior thats all I know thats all I ever know

Get money or get nothing you know what I'm saying
And I feel that way

Feel me

And thats just my point right there
Thats what I'm always trying to stress know what I'm saying
If you don't understand me if you don't feel me then you ain't real
In my eyes, and thats all that count to me you know

So, is your music considered the voice of urban America or America period

I mean, I would say the voice of the hood 'cause thats who I speak for
And myself, you know what I mean, my family thats who I represent
My hommies, my girl, my life you know

C'mon, bang this shit nigga pump my shit
You gotta bang that wimp and go and dump that bitch
You gotta claim that strip and go and flood that bitch
You gotta aim that shit and straight bust that shit
Like motherfuck them niggas what they wan-do I'm ready
Tevin Campbell, no homo, black rambo
Fucking with the boy baby thats a cambo
If he won in vegas leave him on the crap table
I'm willing and I'm able to come run up in your stable
Like nobody make a sound where the paper where the paper
Gotta get it gotta have it

Once I got it I'mma spend it
Then its back to doing any damn thing just to get it
The re-ups be like birthday parties
No room to park the cars in the garages
So outside the cribs all you see is arays
If I ain't say it right fuck it I ain't foreign
Feel me

And see thats where everybody get me wrong at you know what I mean
I got that heat rock, foreal

Why do you think other rappers lack the impact of your music

Thats because they ain't got that heat rock like me you know what I mean
They ain't spitting like me
They spitting, but, know what I mean, they ain't got colds
I got the flu over here man, foreal
I need relief, y'all help me
I know y'all sick of me, 'cause I'm tired of y'all foreal

And based on the bank, I'm doing much better than alot of these niggas
I'm tired of these niggas
Yawning when I see them make me stretch and pull the burner
I'm cocking back and passing
They catch 'em in they sternum
Ooh ooh that gone probably burn ya
That gone probably learn ya
To never ever ever - ever ever ever come around here no more
Rich gangsters over here you gotta die with the broke bitch
