Hoe but bet I can take that dirt and turn that shit glitter
I leave the work wit' her yeah she my baby sitter
And if I find out she stealin' for realer I'ma kill her
I'm just a money maaan so where the dollars at
So momma I'm a beat that until them flowers black
She wanna ride on this I make her ride wit' that
Her pistol in the ceilin' that's her survival pack
And do I love her nawww man I just love her spirit
Blind deaf or crazy it's money over bitches

Strap her down wit' work and tell her don't trip take a trip

Don't make a sound if them people swing around this bitch
