Wha wha wha nigga nigga

I put piss stains on private planes cuz its my jet nigga Money aint shit cuz my rottweilers drink moet Diamond baugette bracelets for my lovers Playa, i use cristal to lubricate rubbers Who got shit on his wrist that cost 3 nickel Who got the project on lock when that nigga slangin pickle Who got benz, a prowler, playboy, and a Vette Tell the truth--who fucked ya on the same night when we met? Now, who got baby mamas from the noila to new york Who got every bitch attention in this motherfucker when he talk Now who the fuck we talkin bout, look--yall dont know? I'll give you a hint: see that bitch you with? He fucked that hoe Now look here, yall aint seen my watch, its like harlem world video White diamonds, red rubies, blue baugettes, I dont know Shorty, when tha next time imma be up in your bed I love you? you love me? Well go head on and gimme some head

Loud pipes big rims
Wodie thats our life
When we pull up at the club
Sorry thats our night
I know a lot of haters out there sayin
That thats not right
But our diamonds are much bigger
So thats our life
