

# No Worries

Lil' Wayne

You can look me in my face  
(I ain't got no worries)  
(I ain't got no worries)  
(I ain't got no worries)  
See the sh-rooms keep me up  
(I ain't got no worries)  
(I ain't got no worries)  
(I ain't got no worries)  
You see money right there, yeah that's Tunechi right there (turn up)  
Yeah that's Mack Maine right there, and we ain't got no worries  
You see pussy right there redbone mangos right there  
See them sh-roomies right there we ain't got no worries

Tunechi in this bitch, e'rybody should be worried  
Them pussy niggas be purring, bitches be digging me I feel buried  
And if she make this dick hard, she woke up a sleeping giant  
Man your bitch speak in tongues every time we speak in private  
Hope your barber shop open cause we got hair triggers  
Smoke so much that Smokey the Bear, have to bear with us  
And that Jeep with the doors off that means that bitch sleek  
All these bitch think they're the shit, I sent them up shits creek  
You see Tunechi right here, give me brain ideas  
It's ok if you turn up just don't turn off my light years  
All I know is I do it what I'm smoking I grew it  
These are Blood gang Piru, and all rats gotta die even Stewart  
On my private jet is my stewardess is your bitch nigga, bitch Nigga  
I know gold-diggers and ditch-diggers  
You don't get dissed, you get disfigured  
She say sorry I didn't shave so that pussy a little furry  
I put that pussy in my face: I ain't got no worries  
Tunechi

You can look me in my face  
(I ain't got no worries)  
  
(I ain't got no worries)  
(I ain't got no worries)  
See the sh-rooms keep me up  
(I ain't got no worries)  
(I ain't got no worries)  
(I ain't got no worries)  
You see money right there, yeah that's Tunechi right there (turn up)  
Yeah that's Mack Maine right there, and we ain't got no worries  
You see pussy right there redbone mangos right there  
See them sh-roomies right there we ain't got no worries

We ain't got no worries  
She bad as a hooker, so she ain't got no worries  
She want me to eat her sugar, I say "Why you in a hurry?"  
She say "Why you asking questions?" I say "Bitch you tryna be funny!"  
Now take your fucking clothes off, let me see that donkey kong  
I swing your ass back and forth, back and forth on my monkey bars  
That camel toe that camel toe, no worries no panty-hose  
These niggas falling off like baggy clothes, I smoke more than a magic show  
I swear I saw my ho, I swear she was with my ho  
You know I fuck them both, sore pussy and sore throat  
Bitch it's Tunechi and I'm out here, no worries no worries

I would talk about my d\*\*\*\*, but man that shit be a long story

You can look me in my face

(I ain't got no worries)

(I ain't got no worries)

(I ain't got no worries)

See the sh-rooms keep me up

(I ain't got no worries)

(I ain't got no worries)

(I ain't got no worries)

You see money right there, yeah that's Tunechi right there (turn up)

Yeah that's Mack Maine right there, and we aint got no worries You see pussy  
right there redbone mangos right there. See them sh-

roomies right there and we aint got no worries
