Don't let your mouth open up Cuz you don't wanna see the handgun open up, no Don't let your mouth open out Cuz you don't wanna see the automatic open out, no (2x)

Aint no snitches ridin wit us Ol mo the mouth niggaz could holla the front Cant no loose slips get on my yacht I leave player haters at the dock, watch And your nigga help ya burn the block As soon as you get hot nigga turn to cop Ya settin up federal appointments now Nigga all in court pointing out Daddy not knowing what he doin his child We gon mail him his finger when he get out, yea Just to show him what we's about Never let shit about G'z leave ya mouth, yea You inside can't leave ya house Two donut lovers to police ya house I sneak past those brothers leak in ya house And put the heat dead in yo mouth, so shut up

Don't let your mouth open up Cuz you don't wanna see the handgun open up, no Don't let your mouth open out Cuz you don't wanna see the automatic open out, no (2x)

Wizzy nigga been bout me Stay low so you don't know shit bout me Make no mistake I'm a veteran at Me never rat mommy taught me better than that Get a gat if you ain't got one already If you do then you ain't got enough get two And you could never get me nigga get you And you ain't got to fuck me girl fuck you I'm rollin wit my goons And I would never roll on my nigga take that to my tune aint no girl came out of mom's wound Real nigga shit muthufucker I'm tuned, and I was taught If a man talk about another man while that man ain't present A man don't listen They throwin brick but they hands is missin Just watch what you sayin sissy

Don't let your mouth open up
Cuz you don't wanna see the handgun open up, no
Don't let your mouth open out
Cuz you don't wanna see the automatic open out, no
(2x)

Aint no telling who spillin the earl You telling yo boy he tellin his girl O, Now she telling the world It ain't no secret I'm hotter than etha But I don't neither cop shit neither Either close yo mouth or meet the heater
We the dirty south where cocaine cheaper
You go up north nigga's boost they fee up
This where the real hustlers meet up
Look out anybody can be them people
Yo own people could be them people
No glasses can help you see them people
They around too many evil people
Detectives wanna get even equal
My desert eagle ain't even legal, but sssshhhhhhhh

Don't let your mouth open up Cuz you don't wanna see the handgun open up, no Don't let your mouth open out Cuz you don't wanna see the automatic open out, no (2x)

Yea nigga watch the people around you watch the people away from you Leave them niggaz be let them stay from you
These niggaz mouth's is runnin like hot water, I swear to God
Real niggaz takin falls like Niagara
Tryna stay up like Viagra, but it ain't gon happen
These niggaz is best buddies wit the 5-0 team they know the DA by name
It ain't a game it used to be one
Its like these niggaz got them big ducks in they mouth that the gynecologist
Use when yo bitch get a pap-smear
That's pussy anyway
Weezy
