

Death & Life (Skit)

Lil Wyte

That's why you gotta come talk to me,
Cause Jesus kept you alive for a reason.
He knew Satan was in my heart raisin my hand to kill you,
And Satan... he knew I had a good 6 or 7 years of appeal
Before they dropped them Cyanid tablets.
And I'm just like Jesus, I got diciples too.
And they're just dying to do whatever I ask them to do
As long as I just say the word, Doc.
I'm death and life to you, Doc.
