My Cutlass

2 door cut with flippy flop on the paint Looking like a bag of skittles that will make you wan't to faint Eyes cocked ass drop when pulled up on the set People scared to touch my car like they might fall in and get wet I can't keep my whip in sun for so long cause it might melt like a pa ck Of star burst on a summer day sitting on the shelf I got to get her out Get her high Take her out for a ride Hopefully tonight I won't commit vehicular homicide My cutless is clean as a fuckin whistle Paul, and Juicy both told me I better pack pistols Pistols plural for the one's of those who do not know I gon let these bitches rip the bay and try to take my hoe

2 door cut with flip the flop like (ridin down the street smokin weed getting high) 2 door cut with flip the flop like (woooooooooo man that fool clean)

Cheech and chong up in smoke and dice on mirria 2007 Cadillac space age interior 4 Pioneers 4 ways across the back dash 4 12's when I come thru I'm gon break glass And thats just the beginning I ain't got into the engine Fuckin with gray steerin wheels I'm gripin white pearl pimpin It's on Italian leather just as icey as my soljas Pictured on the white pearl gas pedal believe I told ya And ain't doja on me when I ride make me a blunt Ain't tryin to be nobodies police when I creep the cut They got enough on me already they don't need my car If they won't me so bad they can find me standin in my yard

It's time to talk about the muscle in this perfect creation Brand new Chevy block and it's chromed out Edelbrock carburation A set of double hard heads shift kit and a cam Flowed out with a pair of dogs hanging out the ass Brain gon and my hair blowin doin a buck 4 Wow hoe if you in the road Better move yo ass out the path fast Before yo ass have to feel 20 inch spinner and 22 hundred pounds of steel I'm a good driver but can get reckless on purple leana Pedal to the metal might hit ya and never even seen ya Take my word I put 15 G's into this Olds I'm gon flick this bitch and figurer out how to drop off 20 more
