

# I Wanna Fall In Love

Lila McCann

Look at me now  
Won't you listen to my heart  
Cryin' out loud  
I've been standing in the dark  
I want someone to show me the way  
I'm lost on a lonely road  
There must be a light at the end of the tunnel  
Before I go out of control

I want to fall in love  
I want to feel that rush  
Runnin' into my heart shakin' up my soul  
Feelin' like I've never felt before  
I want to fall in love  
I want to feel that touch  
I've only dreamed about it, I've been livin' without it  
And that ain't good enough  
I want to fall in love

Somewhere out there  
Someone else is searchin' like me  
And I know he must be hurtin'  
Maybe tonight he's walkin' down  
The same road I've been takin'  
And we'll meet up without even talkin'  
And he'll know what I'm sayin'

I want to fall in love  
I want to feel that rush  
Runnin' into my heart, shakin' up my soul  
Feelin' like I've never felt before  
I want to fall in love  
I want to feel that touch  
I've only dreamed about it, I've been livin' without it  
And that ain't good enough  
I want to fall in love

Maybe tonight he's walkin' down  
The same road I've been takin'  
And we'll meet up without even talkin'  
And he'll know what I'm sayin'  
I want to fall

I want to fall in love  
I want to feel that rush  
Runnin' into my heart, shakin' up my soul  
Feelin' like I've never felt before  
I want to fall in love  
I want to feel that touch  
I've only dreamed about it, I've been livin' without it  
And that ain't good enough  
I want to fall in love  
I want to feel that touch  
I want to fall in love  
I want to feel that rush
