

# Dream Of A Lifetime

Lillian Axe

Oh, yeah!)

(Yeah, yeah!)

An eye for an eye  
A heart for a heart  
That's the way that we play  
Up in the clouds  
Where angels fly  
You take my breath away

Your love is my heaven  
Now I'm going that way, hey, hey  
And when I get there  
You know I'm gonna stay, stay, stay

You're the dream of a lifetime  
Whoa, yeah  
You're the dream of a lifetime  
Yes you are

Caught up in the roles that we play  
It's a foolish game  
There's nothing we can't do or be  
If we want it the same

I've had all my chances  
To lock you away, hey, hey  
Now when I find ya  
You know I'm gonna stay, stay, stay  
You know I'm dreaming of you
