

## Hard Luck

Lillian Axe

The hammer falls under the neon skies  
The city lights reflecting in my eyes

Roll the dice a turn of the wheel  
It's my turn to call  
If it weren't for hard luck  
I'd have no luck at all

Hard luck's got a hold on me  
I bet against the odds  
Hard luck's comin' down on me  
It's in the fall of the cards  
Hard luck

The night's my savior she keeps me in the dark  
A bad shot it seems I've missed the mark

Like salt in my wounds  
It burns me up inside  
Nowhere to run to now  
Nowhere to hide

I got some hard luck  
It's comin' down to hard luck  
All I got is hard luck
