

# Lost and Confused

Lillix

So many days  
Have gone by without a trace  
I dont know what to do or to say  
Too many ways  
For you to come and stay  
In my mind i've waited for you  
But there is one thing that ive forgot to say  
Dont think im changing for you  
Never ever  
Will you hear me say  
That i cant make it alone  
You just cant change it now  
Not before we see that it has

Gone through the window  
Out of sight  
Never again to be seen  
Lost and confused now  
Dont know where to go  
Dont know where to go

I have seen you outside the intercom  
What a waste to it all  
Dont turn away just look around  
Then youll see that its gone  
It bugs me more then words  
Thats why you cant see that it has

Gone through the window  
Out of sight  
Never again to be seen  
Lost and confused now  
Dont know where to go  
Dont know where to go

When the time has come for me to say goodbye  
Ill look upon that moment and i won't hide

Gone through the window  
Out of sight  
Never again to be seen  
Lost and confused now  
Dont know where to go  
Dont know where to go (2x)

Dont know where to go...
