

Quicksand

Lillix

1. yesterday, seemed so much longer than today
there must be something wrong with me
I think im losing it, oh no
I must be stupid

Now im here, yes im here
Cause I tried
If you're here then you're here
for a while

- R: I cant reach the sky
Without being dragged down
I cant run forever while
I try to hold on
But if you'll be there when I drown
I don't want to hold your hand
Its quicker than quicksand
And you just wont make it

2. Nonetheless, I think I've seen a brighter side
I've trusted no one deep outside
Is what they call the rest of them
They just don't get it

But were there, yes were there
For a trial
And youre there yes youre there
For a while

R:

I've seen so many try to get there way
I'm sure its really not that bad (2x)
