

# Friday Night

Lily Allen

1. Friday night last orders at the pub  
Get in the car and drive to the club  
There's a massive crowd outside so we get into the queue  
It's quarter past eleven now we won't get in 'till quarter to  
It's quarter to and we get to the front  
Girl on guest list dressed like a \*\*\*  
She asks security to check inside my shoes  
You can play this game with me but you know you're gonna loose

X: Look me up and down.  
I don't make a sound.  
There's a lesson I want you to learn  
That's if you're gonna play with fire then you're gonna get burned

R: Don't try and test me cause you'll get a reaction  
Another drink and I'm ready for action  
I don't know who you think you are  
But making people scared won't get you very far

2. In the club make a way to the bar  
Good dancer love, but you should have worn a bra  
Guy on the mike and he's making too much noise  
There's these - girls in the corner want attention from the boys  
I see these girls and they're shouting through the crowd  
Don't understand why they're being really loud  
Make their way over to me and try and push me out the way  
I push her back she looks at me and says: 'what you're trying to say?'

X: Look me up and down...

R: Don't try and test me cause you'll get a reaction  
Another drink and I'm ready for action  
I don't know who you think you are  
But making people scared won't get you very far

R: Don't try and test me...
