

Smile

Lily Allen

When you first left me
I was wanting more
but you were f***ing that girl next door
what'd you do that for

when you first left me
I didnt know what to say
I never been on my own that way
just sat by myself all day

I was so lost back then
but with a little help from my friends
I found the light in the tunnel at the end

Now you're calling me up on the phone
so you can have a little whine and a moan
and it's only because youre feeling alone

At first when I see you cry
yeah it makes me smile
yeah it makes me smile
at worst I feel bad for a while
but then I just smile
I go ahead and smile
