

## Smile

Lily Allen

When you first left me  
I was wanting more  
but you were f\*\*\*ing that girl next door  
what'd you do that for

when you first left me  
I didnt know what to say  
I never been on my own that way  
just sat by myself all day

I was so lost back then  
but with a little help from my friends  
I found the light in the tunnel at the end

Now you're calling me up on the phone  
so you can have a little whine and a moan  
and it's only because youre feeling alone

At first when I see you cry  
yeah it makes me smile  
yeah it makes me smile  
at worst I feel bad for a while  
but then I just smile  
I go ahead and smile
