

# Who'd Have Known

Lily Allen

It's five o'clock in the morning  
Conversation got boring  
You said you were going to bed soon  
So I snuck off to your bedroom

And I thought I'd just wait there  
Until I heard you come up the stairs  
And I pretended that I was sleeping  
And I was hoping you would creep in with me

Put your arm around my shoulder  
And it was if the room got colder  
And we moved closer in together  
And started talking about the weather

You said tomorrow would be fun  
And we could watch a place in the sun  
I didn't know where this was going  
When you kissed me

Are you mine? Are you mine?  
'Cause I stay here all the time  
Watching telly, drinking wine

Who'd have known? Who'd have known?  
When you flash up on my phone  
I no longer feel alone, no longer feel alone

I haven't left you for days now  
And I'm becoming amazed how  
You're quite affectionate in public  
In fact your friend said it made her feel sick

And even though it's moving forward  
There's just the right amount of awkward  
And today you accidentally called me baby

Are you mine? Are you mine?  
'Cause I stay here all the time  
Watching telly, drinking wine

Who'd have known? Who'd have known?  
When you flash up on my phone  
I no longer feel alone

Let's just stay, let's just stay  
I wanna lie in bed all day  
We'll be laughing all the way

You told your friends, they all know  
We exist but we're taking it slow  
Let's just see how it goes  
Let's see how it goes

Are you mine? Are you mine?  
'Cause I stay here all the time  
Watching telly, drinking wine

Who'd have known? Who'd have known?  
When you flash up on my phone  
I no longer feel alone

Let's just stay, let's just stay  
I wanna lie in bed all day  
We'll be laughing all the way

You told your friends, they all know  
We exist but we're taking it slow  
Now let's just see how it goes  
Let's see how it goes
