

Why am I one of these interesting people who's always got something to say. To not be contrived and to feel so alive and, to never have wasted a day. To go for long walks. Have well and fun talks in a long confintational way. Why am i one of these intersting people and wwwwhhhhhyyy won't you stay. I'm still having this same conversation, I've been having for years i just want to read and reatian information just face up to my feed. I look at my self and it's so plain to see all i need is to chat. Not to much i still want to be me. Everyone looks the same. why is my phone full of so many numbers and why dosen't anyone call. Mabye they'd think that i'm always to busy or mabye i've no friends at all. When i'm watching tv they're all out necking e's and while obviously i'm appauled. Why is my phone full of soo many numbers and wwwwwhhhhhyyy don't you call. I'm still having this same conversation i've been having for years i just want to read and reatian information just face up to my feed. i look at my self and it's so plain to see all i need is to chat. not to much i still want to be me everyone look's the same. AHHHH, AHHHHHHH, AHHHHH, AHHHHH, AHHHHH, AHHHHH, AHHHHH, AHH, AHHHH, AHHHHH, AH, AHHHH. I'm still having this same conversation I've been having for years i just want to read and reatian information just face up to my feed. I look at my self and it's so plain to see. Alli need is to chat not to much i still want to be me. Everyone looks the same.
