

## As It Seems

Lily Kershaw

Well I knew  
What I didn't want to know  
And I saw  
Where I didn't want to go  
So I took the path less traveled on  
And I'll let my stories be whispered  
When I'm gone...

When I'm gone  
When I'm gone  
When I'm gone

Well in this life you must find something to live for  
Cause when the darkness comes a callin'  
You'll go back to where you were before  
Cause this life is as  
Fragile as a dream, and  
Nothing's ever really  
As it seems...

As it seems  
As it seems  
As it seems

Well I lost my innocence when in I let him dive  
But the way that he looked at me  
Made me feel alive  
And now I know  
Nothin' at all  
But the release that comes when you're  
In mid fall...

In mid fall  
In mid fall  
In mid fall

Cause in this life you must find something to live for  
Cause when the darkness comes a callin'  
You'll go back to where you were before  
Cause this life is as  
Fragile as a dream, and  
Nothing's ever really  
As it seems...

As it seems  
As it seems  
As it seems
