

# Ashes Like Snow

Lily Kershaw

Ashes falling like snow  
As the wind blows the last breathes upon the breeze  
Ashes falling like snow  
All the people you'll never know that you brought to their knees

Ooo-ooo  
Won't you meet me in the morning?  
Ooo-ooo  
You left without any warning  
Ooo-ooo Oh-Oh  
I don't know where to put you now

People floating on down  
A strange dance from the towers in the sky  
People floating on down  
Fire so hot at their backs; better to hit the ground

Come back, won't you come back, won't you come back  
To me  
Come back, won't you come back  
To me

Ashes that once were bone  
Where do we go from here?  
Ashes that once were bone  
I'm slipping from my faith  
I'm falling with my fear

Ashes like snow  
Where did you go-oh?
