

# Bathed In Blue

Lily Kershaw

you said let's take a break, not a breakdown  
but now we're stranded, we're nowhere to be found  
this wasn't easy or free  
you said the problem was me  
it's time to get off this strange merry-go-round

da da da ooh ooh da da da  
you're bathed in blue  
da da da ooh ooh  
i know i shouldn't see you

i saw you bathed in blue the first time i saw you  
i shoulda known better than to go there  
but i keep my enemies closer than my memories  
i feel safer in their arms than in my head

da da da ooh ooh da da da  
you're bathed in blue  
da da da ooh ooh  
i know i shouldn't see you

so we stop from where we are  
and we take stock of every scar  
and you say you are well broken in  
but i'll do all that i can to get you back on the mend  
oh, before you do break my head again

da da da ooh ooh da da da  
you're bathed in blue  
da da da ooh ooh  
i know i shouldn't see you

you said let's take a break  
you said let's take a break  
but if i break, will that make you love me again?

i'm bathed in black and blue  
i know i shouldn't see you  
i'm bathed in black and blue  
i know i shouldn't see you

da da da ooh ooh da da da  
you're bathed in blue  
da da da ooh ooh  
bathed, you're bathed in blue
