

# Trouble

Lily Kershaw

well boy, i've got a story for you  
if you have the time  
it's about a fearless man  
who asked, "will you be mine?"  
well his heart's no longer where it should be  
it's buried deep inside me  
i'm more trouble than i'm worth  
i'm more trouble than i'm worth

but i'm self-detached and i'll treat you right  
just tell me what you want  
it's all for free, it's all on me  
but you should know the cost  
a price that cannot be paid or made to go away  
i'm more trouble than i'm worth  
i'm more trouble than i'm worth

see, you can look but if you dare touch  
you'll wish you missed me very much  
i'm too much trouble to touch  
i'm too much trouble to touch

and they all fall in love with the one who can't  
they all fall in love with the one who can't  
they all fall in love with the one who can't  
they all fall in love with the one who can't

i'm more trouble than i'm worth  
i'm more trouble than i'm worth, than i'm worth
