

Maybe This Time

Limahl

Every time we argue
You know it hurts me to the core
Shouting will solve nothing
We've got to try and keep control

How many times do we have to say
We're sorry

Maybe this time
We will learn our lesson well
This time
We can put it to the test
Maybe this time
Oh this time we'll learn our lesson

Every couple I know
Seem to have their ups and downs
So it's really not a problem
We've got to simply work it out

How many times do we have to fight Again

Maybe this time
We will learn our lesson well
This time
We can put it to the test
Maybe this time
Oh this time we'll learn our lesson

Oh baby
Wipe those tears from your eyes
Cause it's killing
Killing me to see you cry

Maybe this time
We will learn our lesson well
This time
We can put it to the test
Maybe this time
Oh this time we'll learn our lesson
