Never Ending Story

Turn around, look at what you see In her face, the mirror of your dreams

Make believe I'm everywhere I'm hidden in the lines And written on the pages Is the answer to a never ending story

Reach the stars, fly a fantasy Dream a dream, and what you see will be

Rhymes that keep their secrets Will unfold behind the clouds And there upon the rainbow Is the answer to a never ending story

Show no fear for she may fade away In your hands the birth of a new day

Rhymes that keep their secrets Will unfold behind the clouds And there upon the rainbow Is the answer to a never ending story
