

Nothing On Earth (Can Keep Me From You)

Limahl

Nothing on earth can keep me from you
So I'm turning round and coming home

Lately I've been missing you
And spending the nights alone
I know it's late but my instincts say
Call you on the telephone

No one told me if I had to fade
Life without you would be an empty place
Honey I need you again

Nothing on earth can keep me from you
So I'm turning round and coming home
The girl I love's in another place
And that's where I belong

Baby I apologise
For selfishly walking away
But deep down inside under the pride
This heart has suffered the same

Honey I try to have an open mind
Respect the courage I had to find
I need you again
Nothing on earth can keep me from you...

Nothing in the world can keep up apart
So I'm sending out an S.O.S.
The love I need's just a breath away
Can't be someone else

Nothing on earth....
