f that's your problem don't let it show you will find itself deceiving love can be unsure Keep a level head maintain your pride Then you can face the situation straight in the eye

And especially when she comes on strong When she smiles that smile that leads you on Try to see it through playing out your part Making certain when you give your heart it's

Only for love Only for love Only for love

Love was never planned ever before

Some have spent their whole life searching cold and insecure

But as suddenly as that love will arrive

And you'll recognise the feeling ooh your on fire

And especially as she moves in close When she moves that move there's no suppose You'll find your hurting when you're apart But when you give your heart it's...

Only for love Only for love Only for love

Only for love Only for love Only for love
