

9 Teen 90 Nine

Limp Bizkit

Fame you're claimin' is the top of the world.
This stage I'm claimin' is the top of the world.
Love I'm feelin when you people connect
and if you're out in the crowd you're gettin' more than respect.
If you're wondering
I got plenty of flows.
I'm makin' plenty of friends
and many are foes,
but as the audience grows
security knows
stoppin' me now is kinda serious.
No use in dreadin'
what they call Armageddon.
I think we made it through the slump.
But who really cares where we're headin'
cuz now you mutherfuckers got a reason to jump!!

so lets make somethin' out of it.
This way we can all relate.
Worldwide we collide.
This is how we communicate.
So lets make somethin' out of it.
Whoever thought we would see the day.
I cant believe we did it.
So lets drift away.
Hate,
a feelin' I don't really get.
And hate can get you in some serious shit.
Time is somethin'
that may change me,
but I cant time so fuck it.
ive been stumblin'
through these thoughts
and I thought the fact that I could be delirious.
but as the audience grows
security knows
stoppin me now is kinda serious
No use in dreadin'
what they call Armageddon.
I think we made it through the slump.
But who really cares where we're headin'
cuz now you motherfuckers got a reason to jump!!

so lets make somethin' out of it.
This way we can all relate.
Worldwide we collide.
This is how we communicate.
So lets make somethin' out of it.
Whoever thought we would see the day.
I cant believe we did it.
So lets drift away.
We see good things change
and good things go away.
We see good things waste
and we taste the pain.
What we need is
a place to escape from today.

Right?

a place to escape from today!!
