

## Build a Bridge

## Limp Bizkit

Build a bridge to your mind

Takes me there everytime  
Lay it all on the line  
If there's a way

Build a bridge, make a path  
Overlook the aftermath  
Make my tears be your bath  
If there's a way  
Only if you'll take a ride  
Go with me to the other side

Even though it's gonna crumble down  
I'll keep building till you come around  
Even though it's gonna fall apart, break my heart  
I'll keep building 'till I die

Build a bridge of memories  
Stretch it out overseas  
To the end of the world  
If there's a way  
Build a bridge made of pain  
Send my longing down the drain  
Have no reasons to complain  
If there's a way  
Only if you'll take a ride  
Go with me to the other side

Wait... wait for me....wait... please wait for me

Even though it's gonna crumble down  
I'll keep building till you come around  
Even though it's gonna fall apart, break my heart  
I'll keep building 'till i die
