

# Getcha Groove On

Limp Bizkit

Millenium shit  
Limp bizkit x to the z yeah  
Bringin it live to you and yours  
Ladies and gentlemen  
My homeboy yo!  
Get at em, dog

You don't want to fuck with me today  
'Cause a little somethin somethin didn't go your way  
So try not to be like that today  
'Cause i'm a real motherfucker from 'round the way  
We don't give a fuck when we're rockin the place  
We're only givin a fuck if your invading the space  
So getcha getcha your groove on  
Don't keep us waitin too long

Don't you treat me like a toy kid  
Do you enjoy this  
Every single second i'm alive, i'm a mess  
Got these laser beam mic checks  
Communicating through the genelec,  
High tech keep you on the run  
Now don't wanna be that guy  
Every single second i'm alive  
I'm alive i don't understand why  
I got your trunk full of candy  
And your so high bumping off the sweetness  
This is what you need  
Another little piece of me inside you  
'Cause you know that i'll always keep it true  
And that's exactly what i do  
It's what i do it's what i do

You don't wanna fuck with me today  
'Cause a little somethin somethin didn't go your way  
So, try not to be like that today  
'Cause i'm a real motherfucker from 'round the way  
We don't give a fuck when we're rockin the place  
We're only givin a fuck if you're invading the space  
So getcha getcha get your groove on  
Don't keep us waiting too long

I got breakneck delivery  
No time for chivalry  
Extraordinary ability  
Shit longevity  
Dig deep in your soul and find yourself  
'Cause mind control could turn ya'll to someone else  
So fast your head'll probably spin the fuck right off  
Me and fred about to go half on microsoft  
Them live earning twenty percent  
Those little half-assed direct hits  
Ain't even making a dent  
What an event  
Ah hell, xzibit and limp  
As we attempt to bring home  
The championship it's all in the risk

I'll still lead the league and assist  
Give me the fifth i'm drinking while i'm taking a piss, bitch

You don't wanna fuck with me today  
'Cause a little somethin somethin didn't go your way  
So try not to be like that today  
'Cause i'm a real motherfucker from 'round the way  
We don't give a fuck when we're rockin the place  
We're only givin a fuck if you're invading the space  
So getcha getcha get your groove on  
Don't keep us waiting to long

I got untapped mate-rial  
I serial kill shit give me that real shit  
X finish em off quick  
Makin your jaw split  
When i'm touching the mosh pit  
Constant conflict knockin  
Faggot's unconscious nauseous raisin the stakes  
Increasin the weight  
Got homies that can lay down and lift 8 plates  
So, quit tryin to invade my space  
Before i call for a face-to-face  
And got to rest my case like  
This is how we do it  
Just recognize we keep gettin right to it  
Lookin into these eyes  
Lookin into these eyes  
And you'll see the size of the flames  
Then you might despise the size of my game  
Step the fuck back!  
Xzibit's on the track  
You should have buckled up  
Before your head hit the dash  
You gotta hate that a demo from an eight-track  
Brought me to a place where platinum comes in eight stacks

You don't wanna fuck with me today  
'Cause a little somethin somethin didn't go your way  
So, try not to be like that today  
'Cause i'm a real motherfucker from 'round the way  
We don't give a fuck when we're rockin the place  
We're only givin a fuck if you're invading the space  
So getcha getcha your groove on (3x)
