

Hold On

Limp Bizkit

You keep your distance,
I can't deny you.
I got the feeling, can't satisfy you.
I got your picture on the wall.
I got the picture while I'm gone.
You keep your wishes, (keep you wishes)
I'll keep my feelings.
There goes along the one that kept me breathing.
[Duet] I'm waiting for you,
I know your leaving.
[Duet] I still adore you.
You never need me.

Hold on.
I've found another way to let you go, away.
Hold on.
You've find another way to play my soul, away.

The things you told me,
To hear you speak.
I'm burning slowly,
I'm growing weak.
You bring me close to, yes, the day,
Yes the day's a million miles away.
Why can't you hear me?
Why can't I see you?
And I don't understand what keeps me breathing.
I'm waiting for you.
I know you're leaving,
I'll still adore you,
You never need me.

Hold on.
I've found another way to let you go, away.
Hold on.
You've find another way to play my soul, away.

Hold on.
I've found another way to let you go, away.
Hold on.
You've find another way to play my soul, away.
Hold on.
I've found another way to let you go, away.
Hold on.
You've find another way to play my soul, away.
Hold on.
Hold on.
Hold on.
Hold on.
