Oh baby...I'm so tired
Man from the government
Man from the tax reports said
Everybody's slaves, I'll make you my slave
This I'd do for you
If it would help to give this world back
What it gave then I would....
You seen these eyes...crazy eyes
Maybe they are, but so are yours
If it would help to give this world back
What it gave then I would....
I would for you....I would for you
I would for you....I would for you yeah
I would for you....I would
I would do anything for you motherfu**ers
You see my eyes I got crazy eyes
Maybe they are but so are you
If it would help to give this world back
What it gave then I would....I would
I would for you....I would for you....
I would for you....I would for you yeah
I would for you....I would for you yeah
I would....I would....I would....I would
I would....I would....I would....I would
I would for you....I would for you yeah
I would yeah
I would do anything for you
I would....I would
And I would also do anything...for the nookie!!
