

## It'll Be OK

Limp Bizkit

I just read your letter,  
It says that you'll be gone for awhile.  
Don't you think t'was getting better,  
I guess I'm just a fool strung-out.

What to do?  
Life is through.  
Just wanna kill, myself for you.

I wonder, just how sympatic you'll be?  
You've come to take me under,  
And I forgot all about me.

What to do?  
Life is through.  
Just wanna kill, myself for you.  
So tell me why?  
You say goodbye.  
And tell me why!??  
YOUR FUCKING UP MY WHOLE LIFE!

Yeah,  
Fucking up my whole life,  
So I'm on my way,  
I leave today,  
If I get away,  
It'll be okay.  
It'll be okay.

I'm looking out a window,  
Into a world that's taking you from me.  
And I'm feeling so disgusted,  
How pathetic can I possibly be ?

What to do?  
Life is through.  
Just wanna kill, myself for you.  
So tell me why?  
You say goodbye.  
And tell me why!??  
YOUR FUCKING UP MY WHOLE LIFE!

Yeah,  
Fucking up my whole life.  
So I'm on my way,  
I leave today,  
If I get away,  
It'll be okay.  
It'll be okay.

If their's a better place you can take me,  
Better life you can give me.  
Whatever place I can start all over.  
And I would, never need what you gave me.  
Never need you to save me.  
And never feel like this life is over.

[heavy guitar get it on here]  
If there's a better place you can take me,  
Better life you can give me!  
Whatever place I can start all over!  
And I would, never need what you gave me!  
Never need you to save me!  
And never feel like this life is over!  
Feel like this life is over.

So I'm on my way,  
I leave today,  
If I get away,  
It'll be okay.  
It'll be okay.
