

## Master of Puppets

Limp Bizkit

Choices always were a problem for you  
What you need is someone strong to guide you  
Deaf and blind and dumb and born to follow  
What you need is someone strong to use you  
Like me, like me

If you want to get your soul to heaven, trust in me  
Don't judge or question  
You are broken now but faith can heal you  
Just do everything I tell you to do  
Deaf and blind and dumb and born to follow  
Let me lay my holy hand upon you

My Gods will becomes me  
When He speaks out, He speaks through me  
He has needs like I do  
We both want to rape you

Jesus Christ, why don't You come save my life  
Open my eyes and blind me with Your light  
And Your lies
