

Everywhere I Go

Lincoln Brewster

I will praise with all I am
Every fiber of my soul
Every breath I'll ever take
Is because you made it so

And I will give you all I am
Every minute every hour
And you fill me with your love
With your strength and with your power

Oh God above
Your love has opened up my eyes
and all I see is you
All I see is you

Everywhere I go your love surrounds me
Everywhere I turn your grace reminds me
nothing in the world can separate us now, oh
Every step I take you're there to guide me
Everyday I wake your mercy finds me
Nothing in the world can ever take this love away

You will never let me go
Lord, your love has won my heart
And I want the world to know
Just how wonderful you are

So I'm running after you
Everyday that I have breath
Cause you're the only way
There's no way I'm turning back

Oh, God above,
Your love has opened up my eyes, all I see is you Oh, with every breath I breathe I know it's true

And everywhere I go your love surrounds me
Everywhere I turn your grace reminds me
Nothing in the the can separate us now, oh
Every step I take you're there to guide me
Everyday I wake your mercy finds me
Nothing in the world can ever take this love away

And I won't look back, I won't worry, no
Cause my best days are before me
I won't look back, I won't worry, no
Cause my best days are before me no, no, no, no, no, no

Oh, God above, Your love has opened up my eyes,
all I see is you, all I see is you

Everywhere I go your love surrounds me
Everywhere I turn your grace reminds me
Nothing in the world can separate us now, oh
Every step I take your there to guide me
Everyday I wake your mercy finds me
Nothing in the world can ever take this love away

Everywhere I go your love surrounds me
Everywhere I turn your grace reminds me
Nothing in the world can separate us now
(Nothing's gonna separate us now)

Every Step I take your there to guide me
Everyday I wake your mercy finds me
Nothing in the world can ever take this love away
(Nothing's gonna separate us now)

Everywhere I go your love surrounds me
Everywhere I turn your grace reminds me
Everywhere I go your love surrounds me
Every step I take you're to guide me
Your mercy finds me
