

# Glory To The King

Lincoln Brewster

No weapon formed against us shall prosper  
Our enemies will not prevail  
Through the lightning and the thunder  
Your light will guide us as we sail

The music is gonna play  
And God You will have Your way  
The nations will stand and sing  
Glory to the King  
The lost will be drawn to You  
Their eyes will see the truth  
Then we will stand and sing  
Glory to the King

We will stand as One in singing  
We will live in harmony  
We will live lives of compassion  
Lord to You all praises be

Restore the joy of Your salvation  
Let Your word renew our minds  
Let Your glory rise among us  
That Your name alone may be praised
