

# I Belong To You

Lincoln Brewster

You light my way, Everyday  
You help me see, what I can be  
I cry to you, my spirit song  
Come use my life, for you alone

You caught my soul when I struggling to breath  
You made me whole and now your majesty I see  
I belong to you  
Yes I belong to you

I hear your voice, it leads me on  
Into your arms, when I belong  
I cry to you, my spirit song  
Come use my life, for you alone

You caught my soul when I was struggling to breath  
You made me who and now your majesty I see  
I belong to you  
Yes I belong to you

I know you're everything  
You're all I'll ever need  
I know you're everything to me  
You caught my soul when I was struggling to breath  
You made me whole and now you majesty I see  
I belong to you  
Yes I belong to you
