

# Salvation Is Here

Lincoln Brewster

God above all the world in motion  
God above all my hopes and fears  
And I don't care what the world throws at me now  
I'm gonna be alright

Hear the sound of the generations  
Making loud our freedom song  
All in all that the world would know Your name  
We're gonna be alright

Cause I know my God saved the day  
And I know His word never fails  
And I know my God made a way for me  
Salvation is here

God above all the world in motion  
God above all my hopes and fears  
And I don't care what the world throws at me now  
I'm gonna be alright

Cause I know my God saved the day  
And I know His word never fails  
And I know my God made a way for me  
We're gonna be alright

Cause I know my God saved the day  
And I know His word never fails  
And I know my God made a way for me  
Salvation is here

Salvation is here yes it is  
Salvation is here and He lives in me  
Salvation is here oh oh  
Salvation that died just to set me free  
Salvation is here woa woa  
Cause you are alive and you live in me  
Salvation is here  
Salvation is here and He lives in me  
Salvation is here  
Cause You are alive and You live in me

Cause I know my God saved the day  
And I know His word never fails  
And I know my God made a way for me  
We're gonna be alright  
[Repeat verse]

Cause I know my God saved the day  
And I know His word never fails  
And I know my God made a way for me  
Salvation is here
