

## So Good

Lincoln Brewster

You're the hope in my heart  
You're the light in the dark  
And you hold me in your hands  
O most high, O most high

You're the strength when I'm weak  
You're the grace that I need  
And your mercy saved my soul  
O most high, O most high

I will sing of your love in the morning  
And your faithfulness at night

You are good, so good  
All the time, all my life  
You are good, so good  
Your love remains, you never change  
You are good, so good  
And I'm still singing because you are  
So good

In the flood and the flame  
You are making a way  
And you'll never let me go  
O most high, O most high

Every word you have said  
You will never forget  
All your promises will stand  
O most high, O most high

I will sing of your love in the morning  
and you faithfulness at night

You are good, so good  
All the time, all my life  
You are good, so good  
Your love remains, you never change  
You are good, so good  
And I'm still singing because you are  
So good

I'm holding on to your promises  
I'm holding on to your faithfulness  
You are good, so good  
All the time, all my life  
You are good, (you are) so good  
Your love remains, you never change  
You are good, so good (so good)  
And I'm still singing because you are  
So good  
(You are) so good
