

Whom Shall I Fear

Lincoln Brewster

Because I know you live
I'll put my faith in this
You hear my call
Lord you hear me calling

Because I know you live
I'll set my heart on this
You won't let me fall
when all else is falling

When all you are, is glorious oh God
victorious and strong
Whom shall I fear

When all you are, is powerful and true
And good in all you do
Whom shall I fear
Whom shall I fear

Because you're on my side
I won't believe the lie
That I'm alone
I'm not all alone here

Because you live in me (because you live in me)
My heart will still believe
That you can to save
And you'll come to save me

Lord you're with me in the fire (whoa)
You never leave me in the flame
(never leave me in the flame)
I know your thoughts are so much higher
Lord your ways are not my ways

When all you are, is glorious oh God
victorious and strong
Whom shall I fear

When all you are, is powerful and true
And good in all you do
Whom shall I fear
Whom shall I fear

Lord you're with me in the fire (whoa)
You never leave me in the flame
(never leave me in the flame)
I know your thoughts are so much higher
Lord your ways are not my ways

When all you are, is glorious oh God
victorious and strong
Whom shall I fear

When all you are, is powerful and true
And good in all you do
Whom shall I fear

You are for me
You came to save me
You will never let me go
In my heart I'll always know

You are for me
You came to save me
You will never let me go
In my heart I'll always know

I know that you are for me
I know that you are for me
I know that you will never forsake me in my weakness
I know that you have come down
even if to write upon my heart
To remind me who you
