

Even Angels Fall

Linda Davis

You found hope - you found faith
Gound how fast she could take it away
Gound true love but lost your heart
Now you don't know who you are

She made it easy - made it free
Made you hurt 'til you could not see
Sometimes it stops - sometimes it flows
But baby that is how love goes

You will fly and you will crawl
God knows even angels fall
No such thing as you lost it all
God knows even angels fall

It's a secret no one tells
One day it's heaven one day it's hell
And it's no fairytale take it from me
That's the way it's supposed to be

You will fly and you will crawl
God knows even angels fall
No such thing as you lost it all
God knows even angels fall

You laugh, you cry
No one knows why
But oh the thrill of it all
You're on the ride
You might as well
Open your eyes

You will fly and you will crawl
God knows even angels fall
No such thing as you lost it all
God knows even angels fall
