

## Even Angels Fall

Linda Davis

You found hope - you found faith  
Gound how fast she could take it away  
Gound true love but lost your heart  
Now you don't know who you are

She made it easy - made it free  
Made you hurt 'til you could not see  
Sometimes it stops - sometimes it flows  
But baby that is how love goes

You will fly and you will crawl  
God knows even angels fall  
No such thing as you lost it all  
God knows even angels fall

It's a secret no one tells  
One day it's heaven one day it's hell  
And it's no fairytale take it from me  
That's the way it's supposed to be

You will fly and you will crawl  
God knows even angels fall  
No such thing as you lost it all  
God knows even angels fall

You laugh, you cry  
No one knows why  
But oh the thrill of it all  
You're on the ride  
You might as well  
Open your eyes

You will fly and you will crawl  
God knows even angels fall  
No such thing as you lost it all  
God knows even angels fall
