

Dangerous Game

Linda Eder

I feel your fingers
Cold on my shoulder
Your chilling touch
As it runs down my spine

Watching your eyes
As they invade my soul
Forbidden pleasure
I'm afraid to make mine

At the touch of your hand
At the sound of your voice
At the moment your eyes meet mine

I am out of my mind
I am out of control
Full of feelings I can't define

Its a sin with no name

Like a hand in a flame

And our senses proclaim

Its a dangerous game

A darker dream
That has no ending
that's so unreal
You believe that its true

A dance of death
Out of a mystery tale
The frightened princess
doesn't know what to do.

Will the ghosts go away? (female): No
Will she will them to stay? No
Either way there's no way to win. No

All I know is I'm lost No
And I'm counting the cost No
My emotions are in a spin. No

I don't know who's to blame

Its a crime and a shame

But its true all the same

Its a dangerous game

No one speaks
Not one word
But what words
Are in our eyes
Silence speaks

Loud and clear
All the words
We don't want to hear

At the touch of your hand
At the sound of your voice
At the moment your eyes meet mine
I am out of my mind
I am losing control
Fighting feelings I can't define

It's a sin with no name

No remorse and no shame
Fire fury and flame

'Cause the damage to blame-acapo
